J. E. Curry Chief of Police

Sire

We used a stop watch to determine time necessary for a man to walk brickly from the entrance of the Main Street Western Union Office to the location where Cewald was shot. The time needed was 1 minute and 16 seconds.

We also used a stop watch to determine time needed for an automobile to leave the Hain Street entrance to the heaceast, turn left onto Main Street, turn left onto Harvood, and turn left onto Commerce and approach the Commerce Street crit to the City Hall. The time needed was I minute and 10 seconds, starting the watch at the time we left the Main Street entrance and stopping at the Commerce Street exit.

Respectfully submitted.
